

RECRUITMENT NOTICE

Pre-Bologna degree or Master degree in Forest Sciences

Application no. 2_rePLANT/2021

ForestWISE aims to develop research, innovation, and technology transfer activities to increase the competitiveness of the Portuguese forest sector and reduce the negative consequences of rural fires. It therefore responds to the Ministers Council Resolution's purpose n. 159/2017, by combining efforts of universities, the public sector and industry in a holistic and multidisciplinary approach to fire issues, forest enhancement and sustainable development of forest-based industry.

ForestWISE opens competition for a technician in the scope of the project rePLANT - Implementation of collaborative strategies for integrated forest and fire management (Project code POCI-01-0247-FEDER-046081 (Aviso 14/SI/2019 - I&DT Empresarial (Programas Mobilizadores)), co-funded by Compete/Portugal 2020, through the Competitiveness and Innovation Operational Program (POCI) and the Lisbon 2020 Operational Program.

Position: Project technician

Summary description of the function:

Within the dependency of the executive coordination of ForestWISE and the coordination of rePLANT, it is the technician's responsibility to be contracted:

- Developing research and technology transfer actions, within the scope of the rePLANT project, namely bibliographic research, data analysis using different software (R, SPSS or others) related to forest and rural fires;
- Develop data collection in the field, the application of methods for this purpose and the use of advanced tools to support forest management and risk assessment models for vegetation
- Preparing activity reports associated with their activities, for integration into project reports and activity plans.
- Carry out project management activities.
- Identify opportunities and develop all initiatives that may contribute to the implementation of the activities associated with the project.
- Promote and participate in communication, dissemination, and knowledge transfer initiatives of ForestWISE, associated to the project or others that may be relevant to it.
- Represent ForestWISE when requested, in events and initiatives relevant to their line of work and to ForestWISE in general.
